

A warm welcome to our 31st Netherdale Elite Red Deer Sale.

The season started a little later this year, hence a number of velvet heads not cut at the time of cataloguing. This information will be available on our website.

The velvet market continues to remain very positive, with strong buying activity early on in the new season and prices up on last year.

The line up of 3 year old sires on offer average 7.50kg, up from the velvet average last sale of 7kg. As a stud we strive for improvement each year so it's very pleasing to see the progress year on year.

This year we have a great representation from our Master sires with Harlem, Riley, Henshaw, Eddie and Fleetwood all represented in the sale.

Every effort has been made to cut heads correctly, giving you the ability to assess an honest weight and grade and eliminating guesswork on future performance.

This year we have approx 70 2 year old velvet stags on offer. The 2 year old velveters are animals from the stud hinds and do shift particularly well. It is too early to assess their velvet weights but we do expect to offer a top line up.

We winter all animals on fodder beet, the stags are fed crushed grain from button drop and weaners are fed crushed grain in Autumn/Spring dependant on grass growth.

WE DO NO FEED ANY PKE.

As in the past we are offering a good selection of young hinds from our top sires with velvet breeding values available for all hinds on offer.

We are also offering semen from Harlem, Henshaw and our new Master Sire Bronx.

Every year we receive positive feedback from previous purchasers on the excellent shifting ability and velvet weights of Netherdale animals and this year we have seen the bar lifted even higher with Totara, a sire sold in the 2014 Netherdale sale cutting over 16kg of velvet.

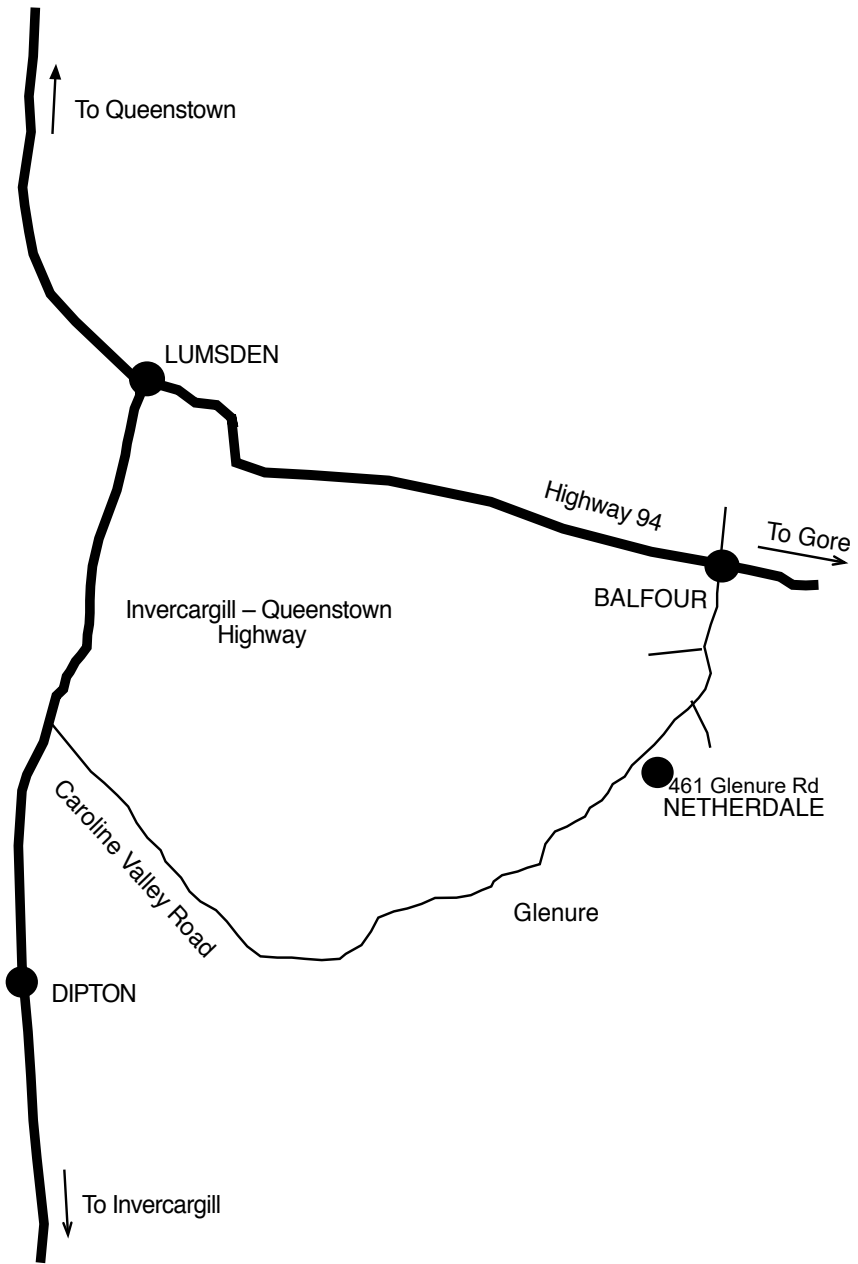

Our emphasis has always been on velvet genetics so it is pleasing to achieve such great results from our breeding programme.

Have a Merry Christmas and we look forward to meeting you at Netherdale for our sale on the 11th January 2018 at 1.30pm

Kind Regards
David and Lynley
Netherdale
